Reasons for the refusal of your application

To help you understand why your application was refused, below are the **Officer Decision Notes** (ODN) specific to your application as they are displayed in IRCC's system.

These notes were entered by the officer who assessed and made the final decision on your application.

I have reviewed the application. The purpose of the applicant's visit to Canada is not consistent with a temporary stay given the details provided in the application. Applicant wants to visit Canada for tourism and family visit. No travel itinerary /flight bookings provided to support stated purpose of visit. The applicant's assets and financial situation are insufficient to support the stated purpose of travel for themselves. Amounts seen on financial documents are not commensurate with the stated income. In the absence of satisfactory documentation showing the source of these funds, I am not satisfied the applicant has sufficient funds for the intended travel. Weighing the factors in this application, I am not satisfied that the applicant will depart Canada at the end of the period authorized for their stay. For the reasons above, I have refused this application.
